### **Market Street Advisors Chosen by Munder Capital Management for SMA Solution**

#### **Edison, NJ, April 9, 2008**

Munder Capital Management has signed an engagement letter with Market Street Advisors to provide both technology and personnel in support of Munder Capital's middle and back office for their separately managed account business.

Bevin Crodian, Market Street Advisors' CEO, said "Munder Capital Management is an example of another firm that is focusing on growth and cost savings while recognizing the value of having an experienced managed account team sit on the same side of the table with them. Market Street Advisors is looking for clients not transactions."

#### **About Market Street Advisors**

Market Street Advisors is an outsourcer of middle and back-office administration for asset managers and platform sponsors. Market Street Advisor's stated corporate goal is to provide lower total cost and increased functionality for the middle and back office of the investment management industry. Working from a fully integrated, internet-based platform, Market Street Advisor's experienced team and robust platform provide a wide range of services for institutional, private wealth and wrap investment managers including: tax lot accounting, portfolio management, pre & post-trade compliance, performance measurement and reporting, automated reconciliation, and integrated workflow.
