Market Street Advisors Wins Polen Capital Management

Edison, NJ, August 5, 2008 - Market Street Advisors has signed an agreement with Polen Capital Management to provide technology and services for their middle and back office functions. Market Street Advisors will provide an integrated platform delivered through a web-based interface that includes: portfolio accounting, order management, daily, time-weighted performance measurement, real-time reconciliation services, and comprehensive reporting.

Polen Capital Management is expanding their very successful offering into the wrap business. They sought to outsource administrative functions to a team that understands their investment management business.

According to Chief Operating Officer, Stan Moss, "We believe that our Large Cap Growth product is poised to gain assets as we are now plugged into significant distribution sources. Market Street Advisors provides us with the operational scale and depth to handle broader distribution, thus, allowing us to remain focused on what we do best, managing money and relationships. Market Street Advisors offers an attractive combination of technology and industry experience that strategically makes sense for a boutique firm like ours"

Bevin Crodian, Market Street Advisors' CEO, said "Market Street is proud to partner with Polen Capital Management. Polen has been managing money for twenty years and has established itself as one of the top Large Cap Growth managers in the country. Like many of our existing clients, Polen is poised for dramatic growth and wants an experienced team to help them through the process."
